

FINE BUSINESS ABILITY

Possessed By Lloyd M. Bell, Democratic Nominee For Treasurer

Lloyd M. Bell, the Democratic nominee for county treasurer, is well and favorably known throughout Knox county. He was born at West Carlisle, Coshocton county, and is 39 years of age. His father was Stephen Bell, a native of Knox county. When

LLOYD M. BELL

Lloyd was twelve years of age, in 1883, the family removed to Croton, near Centerburg. He was educated in the public schools at Croton and after graduation spent two years at the Ohio Normal University, taking the classical course. He engaged in school teaching for five years. He removed to Centerburg in 1896, and became the owner and editor of the Gazette at that place, which he made one of the best weekly newspapers in central Ohio. A man who can successfully conduct a newspaper in one of the smaller towns, as Lloyd Bell has done, is a man of no mean business ability, and it is a guarantee that he possesses ample ability to properly conduct the office of county treasurer. Lloyd Bell is a man of popular parts and is held in the highest esteem by all who know him, which has been evidenced on several occasions, when he was elected to the village council, to the board of education, and more recently to the office of mayor, which last named office he held until he became a member of the county board of elections.

For Safety of Deposits in the Buckeye State Building and Loan Company, Rankin Building, 22 West Gay Street, Columbus, Ohio.

5. Our loans are made only on homes, the safest of all mortgage loans.

6. No money is loaned on personal securities of any kind and hence opportunities for loss are very small.

7. Our borrowers begin to repay at once in monthly payments the interest and part of the principal. This reduces the loan each month and correspondingly increases our security. Assets over \$4,200,000. Five per cent paid on time deposits.

ELDERLY

Lovers Marry After A Long Friendship

Bride's Home In Marengo, Morrow Co.

Chicago, Ill., Oct. 19.—The blossom of a 35-year romance was reaped by Georgia A. Noe of Marengo, O., and Winfred Brown of Morland, Kas., today when they were married at the home of the bride's nephew, F. E. Short.

Lovers in youth, the two had been separated by the sense of duty to her parents that kept Miss Noe by their side and later by the marriage of her sweetheart to another girl. When freedom came to each the interrupted courtship was resumed. The bride is 53 years old and her husband is 55.

Miss Noe was a leader of the young people of College Springs, Iowa, when the romance began. Mr. Brown attended school with her and for several years they "kept company." At last he proposed, but was refused because the parents of Miss Noe were aged and she was needed to care for them. Brown married a short time later, his bride being another girl of the same town. Then he moved to Kansas. He now owns a farm of over 1000 acres. Miss Noe remained in College Springs until her parents died five years ago and then went to Ohio to live with a brother. Three years ago the first wife of Mr. Brown died and a year later he began writing to his youthful sweetheart. The two met at the Short home for the first time in 24 years.

INTERESTING

Convention Of Martinsburg Group Of Presbyterian Churches

(By Ozro R. Newcomb)

The four Presbyterian churches of the Martinsburg group met for conference Saturday, Oct. 15th. No more delightful day ever greeted the senses than was given us for our meeting.

The morning program went off without a flaw. One hundred Winona hymn books had been provided and the congregational singing was unusually good; but the special music all through the day was exceptionally enjoyable.

The new basement, making the church one of the best equipped country churches I know, was filled by visiting Presbyterians and right royally fed by the Millwood ladies.

The afternoon program was another treat. The home talent of our churches was at its best in paper and address with a climax in the speech of the Hon. A. P. Sandles of Columbus. If Sandles takes everywhere as he did in Millwood, he is one of the most popular men in the state. His address was just what we wanted—witty, informing, inspiring.

Millwood got the banner for the best Sunday school record for the year.

Little John Calvin Baker, born just 400 years after John Calvin of Geneva and adopted by the conference last year at Bladensburg, was presented to the conference but for good reasons was excused from making a speech.

A perfect moon-light night made the rather late homeward drive a pleasure and rounded out a profitable and delightful day.

Mt. Pleasant entertains the conference next year.

FELL

From A Wagon And Sustained Broken Arm

John, the three-year-old son of Mr. and Mrs. Frederick Shutt, residing on Mansfield avenue, sustained a broken arm Tuesday afternoon while riding on his father's wagon. The boy was playing on the seat when he lost his balance and fell to the ground, a distance of five feet, striking on his left side. One of the bones in the forearm was badly fractured by the fall. Dr. H. W. Blair was called to reduce the fracture.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

NEW PASTOR

Of The Presbyterian Church Arrives In Mt. Vernon, Wednesday

The Rev. W. A. Clemmer arrived in Mt. Vernon Wednesday morning from Ashland, Pa., to assume his charge as pastor of the First Presbyterian church and will preach his first sermon next Sunday morning. Mrs. Clemmer accompanied her husband as far as Tiffin, O., where she will visit her parents for a few days, pending the arrival of their household goods in Mt. Vernon. Rev. and Mrs. Clemmer will occupy the Presbyterian manse, North Gay street. Pending the arrival of his household goods, Rev. Mr. Clemmer is housed at the Y. M. C. A. building.

Mr. and Mrs. James McElroy went to Millersburg Wednesday morning to attend the funeral of Mrs. McElroy's cousin, Davis Hudson.

FOR ATTORNEY GENERAL

TIMOTHY S. HOGAN.
Wellston, Jackson County.

Timothy S. Hogan was born 46 years ago, a short distance from the city of Wellston, of sterling Irish parents. His education was obtained in the common schools, but at an early age he distinguished himself by a marked aptitude for learning, and his young manhood found fitting scope for his powers as superintendent of the public schools of Wellston, a position which he filled for several years with credit to himself and to the immeasurable good of the schools. Leaving the profession of teaching he entered the law, and has practiced continuously since 1894, winning high distinction in the profession of his choice. He is recognized by bench and bar as one of the ablest lawyers in the state, and has a wide practice in both state and federal courts. He holds his degree of M. A. from Ohio university.

He is one of the ablest and most brilliant orators in Ohio, a classical scholar, a keen student of men and affairs, a loyal friend and a forgiving enemy.

Mr. Hogan's fame has extended far beyond the boundaries of his home state, a fact due, perhaps, quite as much to his winning personality as to his high abilities. Courteous, cultured, refined, he is a fit exemplar of the highest type of American citizenship and his profession.

Mr. Darman Sites returned to his home in Waterford Wednesday morning after taking several weeks' treatment at the Mt. Vernon hospital.

Mr. L. A. Stream went to Homer Wednesday morning to attend to some business matters.

BLOOD TROUBLES
CONSTITUTIONAL INFECTION

Constitutional Blood Poison is the most insidious of all diseases. It begins in an insignificant manner, usually the appearance of a tiny sore being the only outward evidence of its presence. But down in the blood the treacherous infection is at work, and in a short time its chain of symptoms begin to crop out. The month and throat ulcerate, skin eruptions break out, sores and ulcers appear on the body, the glands in the groin swell, and sometimes the hair comes out. Mineral medicines cannot cure Constitutional Blood Poison; they only shut the disease up in the system to smoulder and await an opportunity of breaking out afresh. The only possible way to cure the disease is to REMOVE the germs from the blood. S. S. S. goes into the blood, and while removing the infection makes the blood pure, fresh and healthy. This

causes a general upbuilding of the entire system, and when S. S. S. has made a cure there is no return of the hideous symptoms. S. S. S. is made entirely of vegetable matter, containing not the least particle of mineral in any form. It is a perfectly safe medicine and a certain cure for blood poison. We have a Home treatment book which we will be glad to send free to all who write and request it, also any medical advice without charge.

YOU DON'T HAVE TO LEAVE HOME

to get the best business education.

One year of performance is better than ten years of promise. The Mt. Vernon Business College has made good.

We weren't experimenting on Mt. Vernon the past three years with our local Branch School. We knew just what we were doing. Business men had pledged enough students for a fine class before even the first announcement, and each year was a grand success—this one will be even better.

Your money couldn't secure you a better education—no matter where you want. There is only one BEST—and in College Systems, and methods we control them absolutely. We pay large salaries to instructors who know their business and graduates of this school never be out of a position—we guarantee that.

Stay at home with your family and go to business college in your home town—what can you ask better than that—especially when you have everything that the big city college can offer—nothing different but the size of the school, and that can certainly be no disadvantage.

"WHEW! THIS IS A NASTY MESS!"

—Cartoon Republished from Columbus Dispatch.

A week before Governor Harmon was inaugurated the present Republican legislature met in special session at the call of Governor Harris and confirmed all the recess appointees named by the retiring governor so as to tie Governor Harmon's hands.

The very first name on the list was Chief Engineer Perkins of the state board of public works, whose term did not expire until May 21, THIS YEAR. The Democratic minority opposed the confirmation of Perkins, but was voted down by the majority.

The only official of the state board of public works the governor can appoint is chief engineer. Governor Harmon had no chance to pry into the canal graft until the term of Perkins expired in May. Then he appointed James R. Marker to succeed Perkins, and told Marker to GO TO THE BOTTOM OF IT.

The re-election of Governor Harmon will mean that the Harmon dredge will clean out the rotten canal system. And he ought to have a full staff of Democratic state officials and a legislature with a Democratic majority in both branches to help him do it.
